<input type="checkbox"/>	Listing Date	Vessel	Pallet No	Date Received	Product Code	Species / Grade	Unit KG	Initial Cartons	Net Weight KG	Sale Price / KG \$	Cartons Ordered	Cartons Available	Comments	Image	Condition Report	Place Orders ↻
<input type="checkbox"/>	17/10/2025	Mingarra	118204	16/10/2025	T1020C	Tiger 10/20 Cooked	5	105	525	30.00	10	95				+
<input type="checkbox"/>	17/10/2025	Mingarra	118339	16/10/2025	T1020C	Tiger 10/20 Cooked	5	200	1000	28.00	10	190				+

This page displays the various products and quantities available for sale. This page updates every 15 seconds to give the user the latest listings and amended quantities available. Once there are no more cartons available the listing will cease to display.

Click on the image icon in the image column for each listing to see the product.

Click on the folder icon in the condition report column to view the details.

[Condition Report - |](#)

Tigers U8 7 count

Tigers U10 9 count

To place an order:

Click on the listing which will open a page with the inventory details and at the bottom you will see an Add button on the tab Place Order. Any orders placed against this listing will display there.

Condition Report

[+ Add New](#)

	Date Ordered	Pallet No	Product Code	Species / Grade	Unit KG	Sale Price/ KG \$	Cartons Order	Value \$	Ordered By
	17/10/2025	118204	T1020C	Tiger 10/20 Cooked	5	30.00	10	1500.00	admin

Records 1 to 1 of 1

Click on the Add Button to display the Place Order page. Just select order type (buy or hold) and insert the number of cartons you wish to purchase. The other fields will be populated once you click on Save New button. A message will then appear advising that the order and created and sent. If the quantity of cartons you have ordered is more that the available stock (remember as it is live another user may have ordered cartons from the same listing), the system will display an error message and cancel the order.
